Summary

South Australian Economic Indicators

ABOUT THIS PUBLICATION

This publication provides an up-to-date overview of the South Australian economy and contrasts the State's performance with that of the Australian economy. It provides details of movements in a range of economic and social indicators.

OVERVIEW

The data in this overview are presented in trend terms, unless otherwise stated.

Included in this overview are Statistical Summary tables showing comparisons between South Australia and Australia for a variety of economic and social indicators. Also included is a State Summary, showing the performance of all states and territories for selected indicators.

Further detail on all the indicators shown below can be obtained by accessing the latest data cube attached to this publication. This data cube is available within the **Related Links** section on this page.

REVIEW OF THIS PUBLICATION

The production of the South Australian Economic Indicators (SAEI) publication is currently under review. Aspects of this publication to be reviewed include the format, frequency of release and data content. Comments and suggestions regarding potential changes are invited from interested parties.

IMPORTANT CHANGES

The wage cost index series has been renamed the wage price index series as from September quarter 2004, and has been re-based from September quarter 1997 to the financial year 2003-2004 = 100.0. The quarterly Wage Cost Index publication, now renamed Labour Price Index, has retained its catalogue number (6345.0) but will include annual non-wage costs, such as annual and public holiday leave, superannuation, workers' compensation and payroll tax. Further information about the new price index series is available through **Labour Price Index: Concepts, Sources and Methods, 2004, cat. no. 6351.0.55.001.**

INTERNATIONAL TRADE

The value of South Australian merchandise exports (in original terms) for the month of October 2004 was \$665.6m. This was an increase of 2.2% from the previous month and 3.3% more than the value of exports in October 2003 (\$644.7m).

The value of South Australian merchandise imports (in original terms) for October 2004 was \$540.0m. This was an increase of 8.0% from the \$500.0m recorded in September 2004, and 21.7% more than the October 2003 figure of \$443.6m.
